GUIDELINES REGARDING FILLING UP OF 'APAR' WITH NUMERICAL GRADING

- 1. The Annual Performance Appraisal Report is an important document, it provides the basic and vital inputs for assessing the performance of an Officer and for his / her further advancement in his / her career. The Officer reported upon, and the Reporting Officer should, therefore, undertake the duty of filling out the form with a high sense of responsibility.
- 2. Reporting Officer should realize that the objective is to develop an Officer so that he / she realizes his / her true potential. It is not meant to be a fault finding process but a developmental one. The Reporting Officer should not shy away from reporting shortcomings in performance, attitudes or overall personality of the officer reported upon.
- 3. The items should be filled with due care and attention and after devoting adequate time. Any attempt to fill the report in a casual or superficial manner will be easily discernible to the higher authorities.
- 4. Every answer shall be given in a narrative form except where numerical grading is to be awarded. The space provided indicates the desired length of the answer. Words and phrases should be chosen carefully and should accurately reflect the intention of the officer recording the answer. Unambiguous and simple language may be used.
- 5. The Reporting Officer shall, in the beginning of the year, assign targets to each of the officers with respect to whom he is required to report upon for completion during the year. In the case of an officer taking up a new post in the course of the reporting year, such targets/ goals shall be set at the time of assumption of the new charge. The tasks / targets set should clearly be known and understood by both the officers concerned.
- 6. Although performance appraisal is a year-end exercise, it may be a tool for human resource development. Hence, the Reporting Officer should at regular intervals review the performance and take necessary corrective steps by way of advice etc.
- 7. It should be the endeavour of each appraiser to present the truest possible picture of the appraisee in regard to his / her performance, conduct, behaviours and potential.
- 8. Assessment should be confined to the appraisee's performance during the period of report only.
- 9. It is expected that any grading of 1 or 2 (against work output or attribute or overall grade) would be adequately justified in the pen-picture by way of special failures and similarly any grade of 9 and 10 would be justified with respect to special accomplishments. Grades of 1-2 or 9-10 are expected to be rare occurrences and hence the need to justify them. In awarding a numerical grade the reporting authority should rate the officer against a large population of his / her peers that may be currently working under them.
- For purpose of calculating average scores for empanelment / promotion, the following grade will be considered.

APARs Graded	Grading	Score to be considered
Between 8 and 10	Outstanding	9
Between 6 and 8	Very Good	7.
Between 4 and 6	Good	5

Note:

The following procedure should be followed in filling up the item relating to integrity:—

- (i) If the officer's integrity is beyond doubt, it may be so stated.
- (ii) If there is any doubt or suspicion, the item should be left blank and action taken as under:
 - (a) A separate secret note should be recorded and followed up. A copy of the note should also be sent together with the APAR to the next superior officer who will ensure that the follow up action is taken expeditiously. Where it is not possible either to certify the integrity or to record the secret note, the Reporting Officer should state either that he has not watched the Officer's work for sufficient time to form a definite judgment or that he has heard nothing against the officer as the case may be.
 - (b) If, as a result of follow up action the doubts or suspicions are cleared, the officer's integrity should be certified and an entry made accordingly in the APAR.
 - (c) If the doubts or suspicions are confirmed, the fact should also be recorded and duly communicated to the officer concerned.
 - (d) If as a result of the follow up action, the doubts or suspicions are neither cleared nor confirmed the officer's conduct should be watched for a further period and thereafter action taken as indicated at (b) and (c) above:
