In the I.D. Note first cited, the draft list of part time casual labourers engaged as on 27-02-2009 in respect of Puducherry region of the U.T. of Puducherry has been circulated calling for objections, if any, from the part time casual labourers concerned as regard to their name, date of birth, date of engagement and their position of seniority.

2. The objections received from the part time casual labourers in regard to the corrections in their name, date of birth, date of engagement and their position of seniority have been verified with reference to the proof furnished by them and in the absence of such proof with reference to the particulars furnished by the Departments concerned and corrections in the list have been carried out accordingly.

3. The requests of the part time casual labourers of the common categories under the cadre control of DP&AR, whose names are found left out in the draft list of part time casual labourers have been examined carefully and included in the final list in respect of the claims found correct.

4. However, in the case of part time casual labourers in the Department of Art & Culture their request for inclusion in the list of part time casual labourers of DP&AR has not been considered, since the said Department has already converted 80 posts of Watchman which were under cadre control of DP&AR, as Junior Library Attendant and entirely delinked from this Department, besides the part time casual labourers or full time casual labourers, as the case may be,
