Sub: Public Services – Bringing political influence for service matters – Instructions – Reg.

\* \* \*

Instances have been brought to the notice that some of the Government servants are bringing political influence in respect of their service matters including transfer. Normally, transfer orders are issued in the interest of public services or exigency of services. The undue pressure given for transfer of officials will affect the smooth functioning of the Department.

2. As per Rule 20 of CCS (Conduct) Rules 1964, no Government servant shall bring or attempt to bring any political or other outside influence to bear upon any superior authority to further his interests in respect of matters pertaining to his service under Government. Of late, it is noticed that most of the Government servants are bringing political influence in their favour for one reason or other. This act is in violation of the aforesaid provisions of CCS (Conduct) Rules, and such Government servants are liable for disciplinary action in accordance with provisions of CCS (CCA) Rules, 1965.

3. All the Heads of Departments / Offices are, therefore, requested to issue suitable instructions to all the Government servants serving under their control not to indulge in such kind of activities as it violates the provisions of CCS (Conduct) Rules, 1964.

4. If any such instances are brought to the notice, necessary disciplinary action will be initiated against the individual(s) as per rules.
